

Dear Dream Partner

This week RE Capital will be exhibiting for the first time at  
**SIL - Salão Imobiliário de Portugal**, from 2 - 5 May at FIL, in Lisbon.

Alongside our remarkable property management company, Mirabilis Apartments we look forward to showcasing our local and global projects, sharing more about our service offering, pipeline, and the various ESG activities we have been implementing to demonstrate our collective social responsibility for our operations.

Come meet us if you'll be at the event, we'll be at stand **1D09**.

Yours in RE-Thinking Real Estate,
